

## EQUIPMENT REQUIRED FOR HOMEBREWING (ALL GRAIN)

### ESSENTIAL:

- Stainless steel brewkettle Ø 36 cm (mashing & boil) [6115235](#)
- Marga roll mill [4934640](#)
- Copper wort chiller (add garden connectors) [6155430](#)
- Lauter Bin (container with false bottom in stainless steel and tap for spent grain filtration) [0130082](#)
- 28 litres plastic fermenter (with hermetic lid, airlock, thermometer strip with liquid crystals and tap) [0130045](#)
- Cleaning/disinfecting product Chemipro-OXI [4534535](#)
- Hydrometer with dual scale [53146602](#)
- Cylinder for hydrometer [5394872](#)
- Thermometer with cage [5344801](#)
- Brewspoon [6135400](#)
- Two-lever crowncapper [5715035](#)
- Book "Brew your own British real ale" by Wheeler [6535515](#)

### USEFUL:

- 2nd 28 litres plastic fermenter (for decanting) [0130045](#)
- Tabletop crowncapper (alternative to two-lever crowncapper) [5715050](#)
- Crown caps (Ø 26 [5714960](#) or Ø 29 [5714980](#))
- Fliptop bottles (box of 36 ½ litre bottles) [3733915](#)
- Bottle rinser [6135265](#)
- Bottle drainer [5775220](#)
- Precision hydrometer (alternative to hydrometer with dual scale) [5314665](#)
- Cylinder for precision hydrometer (alternative to cylinder for hydrometer) [5394875](#)
- Kit di misurazione durezza acqua [5394905](#)
- Termometro digitale (in alternativa al termometro con gabbia protettiva) [5344805](#)
- Water hardness tester [5334725](#)
- pH calibration sachets [5334785](#)
- Hop filter bag [6135375](#)
- Wort aerator kit [6135390](#)
- Brouwland maltmill (alternative to Marga maltmill) [4934635](#)
- Polished brewkettle Ø 35 cm (for heating sparge water) [6115232](#)
